

Frizinghall Primary School

Anti-Bullying Policy

Approved by the governing body on:	Summer 1 2024
To be reviewed on:	Summer 1 2027
Signed on behalf of the governing body:	<i>P.Sayers</i>

Introduction

At Frizinghall Primary School, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils.

In line with the Equality Act 2010, it is essential that our school:

- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations between people who share a protected characteristic and people who do not share it

At Frizinghall Primary School, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989, a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to their Local Authority's safeguarding team. This policy is closely linked with our Behaviour Policy, our Safeguarding and Child Protection Policy, our School Code of Conduct and the School's Vision, Aims and Values.

Principles

It is the responsibility of the governing body and the Headteacher to ensure that all members of the school community work within a safe and enabling environment. We value pupils developing 'respect for others resulting from active listening, trust and honesty,' which is promoted through our SCARF curriculum, class and whole school assemblies and our PSHE lessons. The four guiding principles of the Early Years Foundation Stage underpin our Anti-Bullying Policy from the moment a pupil enters our school, and throughout their time at Frizinghall Primary School.

They are:

- every pupil is a unique pupil, who is constantly learning and can be resilient, capable, confident and self-assured
- pupils learn to be strong and independent through positive relationships
- pupils learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers
- pupils develop and learn in different ways and at different rates, including pupils with special educational needs and disabilities.

Aims

We are determined to promote and develop a school ethos where bullying behaviour is regarded as unacceptable, to ensure a safe and secure environment is sustained for all

pupils. We aim for all pupils to reach their potential academically, socially and personally through learning and playing in a safe and secure environment.

At Frizinghall Primary School, we discuss what bullying is, as well as incidents we would not describe as bullying, with all pupils through assemblies and PSHE lessons. We agree that:

- Bullying is usually physical hurting, name calling, giving unkind looks or leaving people out of activities/games
- Bullying usually happens when the relationship is imbalanced
- Bullying is usually on-going

Types of Bullying

- Cyber-Bullying

The rapid development of, and widespread access to, technology has provided a new medium for 'virtual bullying', which can occur in and outside school. Cyber-bullying is a different form of bullying which can happen beyond the school day into home and private space, with a potentially bigger audience, and more accessories as people forward on content.

- Racist Bullying

This refers to a range of hurtful behaviour, both physical and psychological, that make the person feel unwelcome marginalised and excluded, powerless or worthless because of their colour, ethnicity culture, faith community, national origin or national status.

- Homophobic Bullying

This occurs when bullying is motivated by a prejudice against lesbian, gay or bisexual people.

- Vulnerable Groups

We recognise that some groups of pupils may be more vulnerable to bullying, including:

- Looked After Children
- Gypsy, Roma and Traveller children
- Children with Special Educational Needs or Disabilities (SEND)
- Children from ethnic minorities
- Children entitled to Free School Meals
- Children for whom English is an Additional Language
- Children who are perceived to be or are LGBTQ+
- Those suffering from health problems, including mental health

Signs of Bullying

Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

- Physical: unexplained bruises, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.
- Emotional: losing interest in school, being withdrawn or secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.
- Behavioural: asking to be taken to school, coming home for lunch, taking longer to get home, asking for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.

Bullying Prevention

Preventing and raising awareness of bullying is essential in keeping incidents in our school to a minimum. Through our SCARF Curriculum, assemblies, as well as PSHE lessons, pupils are given regular opportunities to discuss what bullying is, as well as incidents we would not describe as bullying, such as two friends falling out, or a one-off argument. Anti-bullying awareness events are held throughout the year.

E-safety is an important part of the Curriculum and information for parents is included in newsletters and on the School's website. E-safety workshops are held to raise parents' awareness of cyberbullying. Weekly bulletins and articles are shared with parents via StudyBugs. Pupils are taught to tell an adult in school if they are concerned that someone is being bullied. Our School Code of Conduct is regularly promoted in assemblies and displayed throughout the school. The message of anti-bullying is embedded in the school's SCARF values. These are revisited during induction week and throughout the year where needed. Our school rules, linked to the SCARF values are as follows:

- Keep hands, feet and unkind words to yourself. Ask for permission to leave the classroom (Safe).
- Show respect towards other people, school property and things that belong to others (Caring).
- Follow instructions and work hard (Achieve).
- Never give up, no matter how difficult something is (Resilient).
- Show that you are friendly towards others (Friendship).

Through pupils following these rules, and staff reinforcing them, bullying should be significantly reduced.

Policy

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

Responding to Bullying

All cases of alleged bullying should be reported to the Headteacher/Deputy Headteacher/Assistant Headteacher.

In any case of alleged bullying, either the class teacher, the Headteacher, or a senior member of staff should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate.

If the allegation of bullying is upheld, the Headteacher (or senior leader) should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s), and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable.

All bullying incidents must be recorded on CPOMS. Parents of both parties should be informed.

If the situation does not improve, the Headteacher (or senior leader) should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped.

Listening to children

It is important that children are and feel that they are listened to when discussing or disclosing any potential incidents of bullying.

- Listen to the child
- Take them seriously
- Show empathy
- Let the child know it's not their fault
- Avoid stereotypes
- Reassure them they were right to tell you
- Follow our procedures for reporting concerns

Role of the governors

All governors will have an understanding of the number of bullying/ behaviour incidents in school. These will be shared in the Headteacher's report at the end of each term. Leaders provide explanations for any significant areas of bullying and explain what interventions are being put in place to reduce the bullying incidents.
