

Nursery- April/May 2024

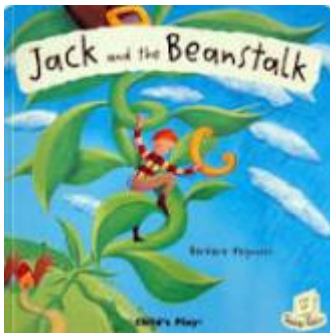

Giants!

Our fifth theme is called 'Giant's!'. This half term we will be reading the story about 'The Enormous Turnip' and 'Jack and the Beanstalk'. Late Spring and early Summer is a great time to plant seeds. We will be planting a variety of seeds and beans and will learn how to look after them as they grow.

I wonder if we will grow an enormous turnip or a giant beanstalk?

Please log into Tapestry, an online learning journal that we use to record the learning and fun your children have in nursery. If you have any questions about this, please ask Miss Rigg.

Lots of children find dinosaurs fascinating and exciting! We will be finding out about these giant creatures. Which one is your favourite?

In nursery we are promoting '50 things to do before you are five'. This was developed by a local nursery school and was designed to help parents support their young children's learning at home. The app is free to download and it has fantastic activity ideas!

Throughout Frizinghall Primary School, we use a programme called SCARF. The children in Nursery are chosen to be 'Star of the Day' and will receive a certificate to take home.
