

Nursery- September - October 2024

Getting to know you

finding out about ourselves and each other. We will be reading story books and information books about all kinds of people and families. Our main books will be Goldilocks and the Three Bears and All About Me.

In the first weeks at nursery, we do lots of work on settling in and getting to know the routines of the day and week.

During this time the Nursery team will be getting to know your child and they will be getting to know us.

The children will play inside and outside, exploring the different areas. They will discover exciting things to do! They will learn how to share and play with or alongside other children.

There are lots of messy activities including, painting, sand, water and mixing magic potions! It is a good idea for your child to wear clothes that are not for best and to also have a spare change of clothes to hang on their peg.

The children will play outside for part of the nursery session so please make sure they bring their coat every day and have suitable shoes for the weather.

As we settle into school, we will be encouraging the children to talk about how they feel and how they can show friendly behaviour towards others.

Throughout the year there will be planned events when parents will be invited to come and join in with 'Rhyme Time' and 'Bed Time Story Time' for example. Please come and talk to a member of the Nursery team if you have any questions or worries.

Throughout Frizinghall Primary School, we use a programme called SCARF. The children in Nursery are chosen to be 'Star of the Day' and can wear a coloured scarf so everyone knows they are the star.
