

Why is Punctuality Important?

At Frizinghall Primary School, we expect all children to arrive on time ready to start the day and to be punctual to all lessons.

Arriving on time is a great start to the day, putting your child in the right frame of mind to make the most of the day's learning. Good punctuality is linked to good attendance which we know leads to better outcomes for children and young people.

Arriving on time:

- Sets good habits for adult working life.
- Maximises educational achievement.
- Helps your child develop friendships and relationships.
- Boosts your child's confidence and self-esteem.

Arriving late, however:

- Puts your child at an immediate disadvantage to other children who have arrived on time.
- Potentially put your child at risk
- Means your child misses important information at the start of lessons.
- Is embarrassing for your child.
- Disrupts lessons for other students.
- Can damage your child's confidence and self-esteem.

School Punctuality

A Guide for Parents / Carers

Registration Procedure

- Children should arrive by 8.45am as the school door closes at 8.50am.
- The registers will close at 9.20am. Any children arriving after this time without a valid reason will receive an unauthorised absence mark.

Appointments

Appointments should be arranged outside school hours wherever possible. If it is unavoidable, ideally students should attend before their appointment, sign out at reception and then return after their appointment.

If the appointment is early and your child will not be coming to Frizinghall Primary School on time, please notify the Attendance Officer, sending confirmation of the appointment with your child. When your child arrives at the school, he/she should sign in at reception and will receive a late mark or medical mark.

Confirmation of all appointments is now a requirement. This can be an appointment letter, card or confirmation slip/text. Without this confirmation, the absence will remain unauthorised.

What to do if your child is late.

You should notify the Attendance Officer or the school office as soon as possible that your child is going to be late. This can be done by phone or through the Studybugs app.

What can parents/carers do?

- Encourage your child to be independent and prepare for school the night before.
- Encourage your child to get into the habit of doing homework at night - rather than rushing to do it over breakfast.
- Encourage your child to develop a good bedtime routine so they have plenty of rest - have a set bedtime, no television, computers or games consoles and switch off mobile phones.
- Invest in a reliable alarm clock and encourage your child to be independent in getting themselves up.
- See that your child has a drink and some breakfast before leaving home. Alternatively, we do have a breakfast club with limited places. If you are wanting further information on the breakfast club, please contact the school office on 01274 543072.
- Allow plenty of time for the journey to school, allowing for traffic hold ups, etc.
- Have a back-up plan in case there is a problem - friends/family, neighbours or parents of school friends who can help out.
- **Above all, if you're having problems, contact us as soon as possible for support.**

How can we support you?

At Frizinghall Primary School we firmly believe that working in partnership with parents/carers is the best way to improve outcomes for our children. If you are worried about your child's punctuality, please contact us to discuss any issues you may be having.

We monitor attendance and punctuality closely and if your child is regularly late, we may contact you to discuss how we can work together to improve the situation. In some cases, we may invite you into school for a meeting to discuss how we can best support you to improve your child's punctuality.

What does the law say?

As a parent/carer, you have a legal responsibility to ensure that your child attends school regularly and on time. Parents/carers whose children regularly arrive late could be deemed to be failing in their responsibility to ensure regular attendance at school and parents/ carers can be issued with a Penalty Notice or even prosecuted in the Magistrates Court. The Education Act 1996 (section 444) allows for legal proceedings to be instigated by Local Authorities.
