Dear Parents/Carers

Our next theme is 'The Great Fire of London'. This theme focuses mainly on history. We will use our chronology knowledge to place the Great Fire of London on a timeline and order the events of The Great Fire of London. We will complete a lot of fun activities to help us to learn about the differences between the past and the present and to remember key facts from this time. For example, we will sketch and create Tudor houses and compare them to houses today. We will make origami boats and make quills to use them to write in Shelton's code. In DT, we will be learning to make our own bridges!

In English, we will be learning how to write a recount about The Great Fire of London and to include expanded noun phrases and conjunctions in our writing. We will be doing lots of drama to help us 'get into character' and really feel like we were there. We will also use Now Press Play to help us 'experience' living through the fire. We will also read a variety of recounts of the Great Fire of London and Samuel Pepys's diary.

In maths we will be focusing on fractions, statistics, measuring and time.

In RE, our topic will be 'How will we look after the planet'. We will be comparing Christian and Muslim creation stories and thinking about how to look after the planet. In PHSE, we will be continuing the theme 'Being my Best', focusing on health and hygiene. In PE, we will continue our work on mastering basic movements, including running, jumping, throwing and catching. As well as developing balance, agility and coordination, and begin to apply these to a range of activities. In computing, we will begin work learning about Questioning and Effective Searching. In Music, 2 Sycamore will be learning to play the bamboo tambourine and 2 Cherry will be doing a Charanga unit called 'I Wanna Play in a Band'.

Helping at home:
